

# River City ARCS

River City Amateur Radio Communications Society

August 2012

<http://www.n6na.org/>

Vol. 32 no. 8

## FROM THE PRESIDENT

Our August 7 meeting will feature a presentation by guest speaker Rod Sorenson W6NAV, a physics lecturer at Sac State University. He will present a new technology for Underground Imaging with VLF radio waves that is being used for national security and archeologic studies. Our Field Day recap and a review of VHF Aurora propagation will round off the program.

John Dyer, KJ6JD, promises to dazzle us with a demonstration of his Tesla coils and other devices at our September 4 meeting.

Join us for great company, programs and refreshments. See you there!

## BRIAN LLOYD

At the May meeting Brian Lloyd, WB6RQN, told us his wife had passed away during a field trip with the students of the school. He also is not employed by the Montessori school anymore and his involvement with the school's radio club has ended. Very sad news.

I apologize for not posting this last month.

## August MEETING

The August meeting is on August 7th. at 7:30pm at the Sacramento County Corp. Yard, 5026 Don Julio Blvd (corner of Elkhorn Blvd)

Linda KI6OLC will now provide a coffee service with our refreshments at River City ARCS monthly meetings.
