MaryAnne Balthrope

MaryAnne was admitted to ICU at Kaiser South Wednesday.

For a very long time MaryAnne suffered with Asthma and consequently has breathing problems. For several weeks she has been fighting some viral condition that finally led to her hospitalization. She is on a breathing machine, so I would not advise visitors at this time. Although, I am sure Bob would appreciate calls, and cards would surely be appreciated. Jeff and I will keep you apprised of her progress.

Please keep MaryAnne and Bob in your thoughts and prayers.

Paul and Jeff Grose

MARCH MEETING

The March meeting will have a demonstration of Software Defined Radio (SDR) for HF.
