Vol. 36 no. 4

PRESIDENTS MESSAGE

Phil Sittner spoke at our March meeting and demonstrated his 40/80 loop antenna. It was a great presentation. It looks to me like Phil, if he was in any of our shacks (and junk piles) for more than a day would have completed a project that that we could only dream about.

Our April meeting will feature Cliff Hall, KK6YYG speaking about APRS. I'm looking forward to seeing how this facet of our hobby can be used.

Last month, I asked us to be thinking of an emergency checklist and preparing for the unexpected. I'm working on my list and getting some of the "to do's finished. Now that we've entered spring, it's time to get some cleaning and organizing started.

On April 3 many of us are scheduled to be in old town Sacramento operating a CW station as part of NPOTA. We'll give the club an update at the meeting.

Linda, KI6OLC is recuperating and needs help with our refreshments at the meeting. If you can help for a while, let me or any of the Board members know.

I am supposed to pick up my tower in a couple of weeks and work will begin on my station. It's kind of strange to only have a portable HF and VHF station operating. Hopefully Murphy is on vacation somewhere a long distance away.

See everyone at the meeting.

73, Bob Woodward, N6PGQ
President, River City ARCS
