PRESIDENTS MESSAGE

November – Time for clocks to be set back, Clarksburg Country Run, Veterans Day, Thanksgiving Day and of course Election of Officers for our club. We have some volunteers for office but we can always use more. This is your club we need you to step up and help run it.

We also need nominations for the Lyle Aufranc award. This should be someone who has done outstanding work for the club in the last year. I will have a box for ballots for nominations.

Phil KD6RM will give a talk on antennas for deed restricted properties.

We need ideas for talks, demonstrations or shows for next year that you would like to see. If you have any ideas give them to one of the board members so they can be worked on to be set up.

Mark your calendars on the wall or your cell phone or however you keep track of upcoming events for THURSDAY DECEMBER 13 @ 6:60 P.M. at Sam's Hof Brau for our Christmas Dinner. Sam's is on the NE corner of Watt and El Camino.

I'm gonna go stand outside, so if anyone asks, you can just say I'm outstanding.

Clarksburg Country Run

The Clarksburg Country Run is on Sunday November 11, 2018.

I will need at least 30 operators. If you wish to help out please reply to this email. This is a fun event to work. If you have never worked a race and would like to be placed with some one that has, let me know and I will place you with a operator that has experience with the race.

Thanks,
Vince Cracchiolo KI6NHP

This is an event the club has supported for years. It can be an interesting day and would be nice if we can continue supporting them.

ELMER

The club has an Elmer program where new hams can get help from older hams. If you need help with something contact a board member. If you would like to help others let a board member know and what your area of expertise is. It doesn't have to be complex electronics, it could as simple as labor to help put up a mast. By volunteering you will help others and maybe make a new friend.
