If you or someone you wants to take a class or a test .

The ARRL has this page Licensing, Education & training

<http://www.arrl.org/licensing-education-training>

This has a location by zip code which includes the above training in the schedule for technician and general.

It has a find a class and take an exam search by zip code.

PRESIDENTS MESSAGE

The presidents message has not been received by press time.

EDITORS MESSAGE

The November meeting had our elections with two new board members. We also had a demo of the Nanovna <https://hackaday.com/2019/08/11/nanovna-is-a-50-vector-network-analyzer/>

December is our Holiday party at Sams Hofbrau. We will meet in the back room and order from the line up front. We are also having a toy drive for WEAVE.

Dues for the next year can now be paid and must be paid by January.

ELMER

The club has an Elmer program where new hams can get help from older hams. If you need help with something contact a board member. If you would like to help others let a board member know and what your area of expertise is. It doesn't have to be complex electronics, it could as simple as labor to help put up a mast. By volunteering you will help others and maybe make a new friend.
