We will have a guest speaker present for the meeting, Dr Jeff Love from USGS, presenting "Down to Earth with an Electric Hazard from Space".

ELMER

The club has an Elmer program where new hams can get help from older hams. If you need help with something contact a board member. If you would like to help others let a board member know and what your area of expertise is. It doesn't have to be complex electronics, it could as simple as labor to help put up a mast. By volunteering you will help others and maybe make a new friend.
