Vol. 40 No. 11

The October meeting had a presentation by Joe Eisenberg KØNEB on kit building.

ELMER

The club has an Elmer program where new hams can get help from older hams. If you need help with something contact a board member. If you would like to help others let a board member know and what your area of expertise is. It doesn't have to be complex electronics, it could as simple as labor to help put up a mast. By volunteering you will help others and maybe make a new friend.

Directions for the Zoom meeting are on page 3.

PRESIDENTS MESSAGE

It's November already and we're approaching the holiday season. For those of you who have been a club member in past years you will know that the club has traditionally held a Holiday Dinner event in December at Sam's Hauf Brau. Unfortunately given the ongoing COVID pandemic we will not be able to host an in person dinner this year. Instead we will hold an additional online club meeting in December and encourage you to come join us.

At the Holiday Dinner we have also held a 'Toy Drive' collection which we have donated to Weave and offered the option for the dinner raffle prizes to be given to Weave. In order to continue this club tradition we'd like to encourage our members to visit the Weave website (<https://www.weaveinc.org/>), click the 'Donate' link and make a donation to their organization.

At the upcoming November club meeting online, we will also be asking our members for approval to donate the cost for renting the meeting room for our holiday dinner to Weave since we are unable to meet in person this year. Weave provide support to domestic violence and sexual assault survivors throught our region, and we would like to continue our club's donation to their organization.

We have a full agenda for our next club meeting, Larry AJ6G will be presenting 'An Adventure in Antenna Launching', and we will be holding elections for our Club Board and Officer positions.

See you at the November club meeting!

Lyle AuFrank award nominations

The Lyle AuFrank award is given each year to the member who has done the most for the club. If you know someone who you feel has done a lot for the please contact a board member and let them know.

WEAVE

Chris Huber's wife Cindy, gave me an update on the gift program we have supported at our past holiday dinners. Weave will not be accepting children's gifts this year due to concerns related to the Covid virus.

However they can accept gifts through their Amazon wish list. Use your browser to access weaveinc.org then navigate to their wish list and under that tab you will find "Everyday Wish List" with a link to Amazon.

This would be a great topic to include in the November news letter.
