## Paul Grose N6DRY SILENT KEY

Paul Grose N6DRY passed away on Mar 15. Paul was a long time member of RCARCS and served as treasurer for several years.

## It's time to renew your membership in RCARCS

Go to: <http://www.n6na.org/membership> and renew online

**Directions for the Zoom meeting are on page 3.**

## PRESIDENTS MESSAGE

Field Day 2021 on June 26-27 is about 3 months away. It's likely as a club we'll operate with club members operating their own stations from their own locations again as we did last year, and submit our results to ARRL as members of the RCARCS club so we can report a combined club score.

With just 3 months to June, it's worth starting to think about how you're going to operate, either from home using your regular station setup, or whether you're going to setup a station in your backyard or other safe location on battery or solar power. It's time to start planning!

If this is your first Field Day or if you just want to brush up on the rules, take a look at the ARRL site here for more details: <http://www.arrl.org/field-day>

## ELMER

The club has an Elmer program where new hams can get help from older hams. If you need help with something contact a board member. If you would like to help others let a board member know and what your area of expertise is. It doesn't have to be complex electronics, it could as simple as labor to help put up a mast. By volunteering you will help others and maybe make a new friend.

## COMM ACADEMY

Comm Academy (<https://www.commacademy.org/home>) is scheduled for this weekend April 10 and 11. Comm Academy is two days of training and information on various aspects of emergency communications. The theme for 2021 is: **Disasters Here, There and Everywhere – Are We Ready?**

Resistance is futile
