## PRESIDENTS MESSAGE

By the time you read this it will already be June and that means it's time for Field Day! This year Field Day is June 26-27 and we'll be running a hybrid event - we'll be at the VFW Post at 8990 Kruitof Way, Fair Oaks, and also supporting those who chose to operate their own stations from their own locations. The ARRL is allowing us to submit a club log jointly again this year, regardless of where you're operating from.

To find out more about our operating plans for this year check out the club website at <http://www.n6na.org/> and also join the next club meeting online on Tuesday June 1st at 7:30pm - Tom Cutter W6BS will be giving an overfield of what Field Day is about and what are plans are for this year.

73, Kevin KK6DCT

## ELMER

The club has an Elmer program where new hams can get help from older hams. If you need help with something contact a board member. If you would like to help others let a board member know and what your area of expertise is. It doesn't have to be complex electronics, it could as simple as labor to help put up a mast. By volunteering you will help others and maybe make a new friend.

## NEW MEMBERS

Please welcome these new members:
