## ELMER

The club has an Elmer program where new hams can get help from older hams. If you need help with something contact a board member. If you would like to help others let a board member know and what your area of expertise is. It doesn't have to be complex electronics, it could be as simple as labor to help put up a mast. By volunteering you will help others and maybe make a new friend.

## NEW MEMBERS

Please welcome these new members:
